

EBAY SHIPPING LABELS

Save up to 24%* on USPS® and 37%* on FedEx®

eBay labels is the easy way to save time and money. It is a free tool available to all sellers without a subscription. You can print pre-addressed labels, calculate shipping costs, generate automatic tracking, and arrange free pickup - all from your computer or mobile device. Just click, print, and ship.

Get started today

1.  Go to the Sold section of My eBay, find item, click *Print shipping labels*
2.  Confirm details
3.  Enter package details (weight, dimensions)
4.  Choose carrier, select shipping method
5.  Click *Print postage label*

Why do sellers love eBay labels?

"I love the savings. I have all of these tools and never have to leave the platform."

– Robbin Levin, Bead Shine
